# WICCAN — Usage, Typography & Source Truth

READ BEFORE CREATING OR MODIFYING ANY BRAND ASSET

| | |
|---|---|
| TYPOGRAPHY | Display / headings: Cinzel.  Body / controls: Manrope.  Keep the source full-logo wordmark unchanged. |
| APP ICON | The FIRST image is the exact artwork; use the gold circle / W / flame / diamond symbol without lettering. |
| FULL LOGO | The SECOND image is the approved visual reference; retain its distinct thinner emblem and WICCAN wordmark. |
| PALETTE | Select the theme backgrounds from page 2. One permanent Midnight Blue icon for Google Play listing. |
| ANDROID | 108dp adaptive layers, central 66dp safe area. Provide monochrome OS themed icon. No baked icon mask. |
| GOOGLE PLAY | 512x512 32-bit PNG <1MB; 1024x500 feature graphic. Update listing only after owner approval. |
| FIREBASE | No Firestore lesson, generator, subscription or security rule changes for a branding task. |
| LEGAL | Visual preference is not trademark clearance. Check name and logos with qualified counsel before launch. |
